Louis T. McFadden - To MAGA, Americans Need to Celebrate Their Patriots

March 11, 2025

It [the depression] was not accidental. It was a carefully contrived occurrence worked out as one works out a mathematical equation. The international bankers sought to bring about a condition of despair here so that they might emerge as the rulers of us all.

— Louis Thomas McFadden —

A US Rep. for 30 years, Louis T. McFadden struck at the heart of Jewish Power. Look at all the thanks he got.

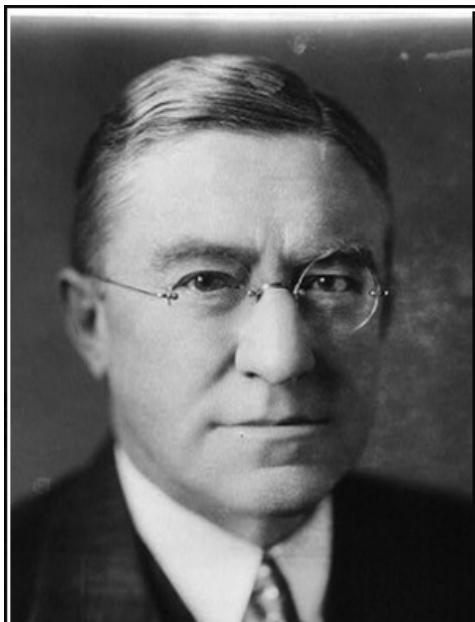

Source

**By Richard C Cook, credit Dave Martin
(henrymakow.com)**

He might not have been a notable anti-Zionist, because in 1936 the future of Palestine appeared to be only Britain's concern, not America's. But he had certainly made himself a major enemy of powerful Jewish leadership in the country. We are speaking of the Republican Representative Louis T. McFadden of Pennsylvania. He had begun his career as a bank teller and had risen to the presidency of the First National Bank of Pennsylvania. He had also been the treasurer and the president of the Pennsylvania Bankers' Association. First elected to the U.S. House of Representatives in 1914, he had been returned to Congress for nine consecutive terms, having run unopposed in 1932. However, in 1934 he was defeated by a Democratic opponent.

What happened? The following passage from his Wikipedia page will give you a pretty good idea:

McFadden later became a "vociferous foe of the Federal Reserve", which he claimed was created and operated by Jewish banking interests who conspired to economically control the United States. In a speech in the House of Representatives in December 1931, McFadden accused Paul Warburg, one of the leading forces behind the Federal Reserve Act, of "having engineered the great depression."

The Federal Reserve is one of the most corrupt institutions the world has ever seen. There is not a man within the sound of my voice who does not know that this nation is run by the international bankers.

— Louis Thomas McFadden —

On June 10, 1932, McFadden made a 25-minute speech before the House of Representatives, in which he accused the Federal Reserve of deliberately causing the Great Depression. **McFadden also claimed that Wall Street bankers funded the Bolshevik Revolution through the Federal Reserve banks and the European central banks with which it cooperated.**

Nevertheless, as we have noted, he was re-elected without opposition in 1932. But as the Depression deepened, so did McFadden's career prospects. Here we continue from Wikipedia:

In 1934, he made several anti-Semitic comments from the floor of the House and in newsletters to his constituents wherein he cited the *Protocols of the Elders of Zion*, claimed the Roosevelt administration was controlled by Jews, and objected to Henry Morgenthau, Jr., a Jew, becoming Secretary of the Treasury. Drew Pearson claimed in his "Washington Merry-Go-Round" column that, in a publication by the American fascist Silver Shirts, McFadden had been "extensively" quoted "in support of Adolf Hitler".

In September the Nazi tabloid *Der Stuermer* praised McFadden. He was also lauded by the publications of William Dudley Pelley, leader of the Silver Shirts, on several occasions. On election day that year he lost to Charles E. Dietrich by "about 2,000 votes". This was the only election between 1912 and 1950 when the district elected a Democrat.

We might recall that the very influential Drew Pearson was also the primary vilifier of Forrestal. In 1936, after having survived two attempts on his life in Washington, DC, one by gunshot and the other by poisoning, McFadden died at the age of 60 of a "heart attack" in a New York City hospital ten days after entering the hospital suffering from a sudden bout of "intestinal flu." [1]

As important an influential a man as he was in his day--the McFadden Act of 1927, which limited the branches of national banks to the state in which they were chartered was named for him--McFadden seems to have been virtually erased from the pages of American history, after the fashion of a purged Politburo member airbrushed out of Red Square reviewing stand photographs in the old Soviet Union. The

20th century U.S. history textbook that I was assigned as an undergraduate makes no mention of him, while it refers to Father Charles Coughlin four times on five pages, a man who had very similar views and spoke about them publicly.[2] Coughlin's political wings were ultimately clipped when the bishop who had supported him died and the one who replaced him ordered him to cease his political activities.

Finally, at the risk of getting even further afield from the subject of possible prominent victims of Zionism, we might add that the death of the anti-Communist Republican Senator Joe McCarthy of Wisconsin at the Bethesda Naval Hospital in 1957 of "hepatitis, acute, cause unknown" at the age of 48 is more than a little bit suspicious.[3]

March 11 - Drumpf's Zio-Fascist, Chabad-Gangster Tendencies

Please send links and comments to hmakow@gmail.com

First, I love Trump's domestic policies. I just wish they weren't

designed to make Israel Strong Again.

Trump is a crypto Jew, a traitor and an imposter. His instincts are those of a gangster. His tariffs bully and strong arm America's neighbours. He has unilaterally ripped up treaties upon which billions in investments were based. He is destroying millions of jobs. His Gaza redevelopment plan is the wet dream of a corrupt NYC Jewish developer. He is cutting funding to universities that don't stop protests against Gaza genocide. He was s-elected by the Deep State to lead the US into a suicidal World War Three designed to kill millions of non-Satanists.

Drumpf pardoned fellow Chabad Gangster in 2017, but not Julian Assange or Edward Snowden

He has vowed to "primary" Thomas Massie a popular MAGA Congressman for not bowing down to Israel.

MAGA Slaps Back at Trump After He Attacks Their House Hero

<https://www.thedailybeast.com/maga-slaps-back-at-trump-over-their-house-hero-thomas-massie/>

Massie's more-MAGA-than-Trump stance earned the backing of many on the right who are, more often than not, in the president's corner.

"Trump can be wrong about things," said conservative commentator Matt Walsh, in a social media post. "He's wrong about Massie. It's okay to say that."

He added, in a follow-up: "You can disagree with Massie about [Johnson's continuing resolution bill]. That's fine. But the idea that he needs to be ousted from congress is just asinine."

Conservative talk radio show host Jesse Kelly wrote, in a social media post, that Massie and Rep. Chip Roy (R-TX), another fiscal hawk who

has clashed with GOP leadership, would not lose primaries "because they do what they promised their voters they would do."

He then suggested Republicans in Washington could either have principles or be Trump lapdogs: "There are two routes to GOP job security: 1. Do what you promised or 2. Follow Trump around washing his golf balls."

Epstein victim says he and Maxwell were Jewish Supremists

"So let me get this straight... Jeffrey Epstein never got a college degree, but was hired as a teacher by William Barr's father, then abruptly became a Wall Street banker, making billions off a single client, Lex Wexner, owner of Victoria Secret and co-founder of the Mega Group, a network of Jewish "philanthropists" along with the Bronfmans, another Jewish billionaire family associated with bizarre sex-slavery mind-controlled celebrities, who also gifted him the most expensive house in New York. His girlfriend is the beloved daughter of a notorious Israeli superspy triple-agent publishing magnate whose company controls textbook publishing and was murdered on a yacht named after Ghislaine who is also an accomplished submarine pilot and one of the most prolific Reddit super-users.

Together they groomed and abducted underage children and rubbed elbows with high-society elites, politicians, and prominent scientists who they would take to a private island featuring satanic temples of human sacrifice where they would engage in forced sex acts with underage kidnap victims while being recorded by an enormous array of cameras. They did this so often, his private jet became known as the "Lolita express" and Epstein became close friends with the likes of Bill Gates and Bill Clinton, who is mentioned in his papers more than anyone else, and who once introduced Epstein to one of his future

victims as the "king of America." Meanwhile on his ranch in New Mexico, Epstein conducted experiments in transhumanism and DNA research, telling scientists he wanted to seed the human race with his DNA.

The fbi was photographed seizing truckloads of documents, videos, hard drives, and dvds from both Epstein's main residences. Since then, the evidence has basically disappeared, with only a small amount of heavily redacted case files released despite repeated demands by various authorities in the federal government for the FBI to hand them over.

Tucker interviewed Qatar's Foreign Minister and asked why Hamas was headquartered there. Surprisingly, he stated that the US under Obama had made the request and they complied. Thereafter, the sums delivered to Hamas under the guise of Palestine increased dramatically suggesting yet another source of siphoning for individual NGO wealth in the US.

USAID money did not go to Palestinians, it went to 'partner organizations. According to AP, the two senior officials at these 'aid groups' spoke on condition of anonymity because of the political sensitivity of the issue and of their work in Gaza. In other words they don't want to provide access to analyzing the money trail. There are 17 NGO's claiming to provide aid to Gaza.

Example: Multifaith Alliance is an NGO in New York claiming to assist Gaza. Their partners include NGO's in Israel and Syria. One such partner, Afya Foundation, spent roughly 50% of their contributions on grants - unlisted. The remainder is pocketed as salaries rent and net assets. They partner with Jewish NGO's such as the United Jewish Appeal (The Jewish Federations of North America) - whose entire mission is to help Jews. The Jewish NGO's partner with organizations that have nothing to do with aid. Such as, Sustainable and Green programs in New York via Project Hope.

https://en.wikipedia.org/wiki/Samson_Option

https://en.wikipedia.org/wiki/Nuclear_Winter

Quotes:

"Israel has been building nuclear weapons for 30 years. The Jews understand what passive and powerless acceptance of doom has meant for them in the past, and they have ensured against it. Masada was not an example to follow--it hurt the Romans not a whit, but Samson in Gaza? What would serve the Jew-hating world better in repayment for thousands of years of massacres but a Nuclear Winter. Or invite all those tut-tutting European statesmen and peace activists to join us in the ovens? For the first time in history, a people facing extermination while the world either cackles or looks away--unlike the Armenians, Tibetans, World War II European Jews or Rwandans--have the power to destroy the world. The ultimate justice."

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

is nothing but smoke and mirrors, with no real support among the populace outside of homosexuals, child molesters, BLM rioters, and liberal White women.
No wonder they're so gender confused - everything about them is fake."

by Mike Stone

(henrymakow.com)

Over the last six weeks, we've learned that the left's rally crowds and riot mobs are paid for - with taxpayer money - and that 90% of their online supporters are bots, not real people.

We've learned that the media outlets that promote the left's narratives and push their policies are boosted with billions of dollars in taxpayer money via illegal backdoor funding. Without that government money those same media outlets would collapse in a matter of weeks, because nobody outside of the radical left reads, watches, or listens to them.

We've learned that virtually every government agency is rife with corruption, embezzlement and fraud, and that all of them without exception are funneling money to Democrat candidates, office holders, and supporters.

In short, we've learned that the entire Democrat Party is nothing but smoke and mirrors, with no real support among the populace outside of homosexuals, child molesters, BLM rioters, and liberal White women. No wonder they're so gender confused - everything about them is fake.

The left can't meme, because memes communicate truth and the left is incapable of telling the truth. The same can be said about cuckservatives.

Look at the leaders of the cuckervative movement: Dennis Prager, Sean Hannity, Mark Levin, Benny Shapiro, Wayne Allyn Root . . . Have any of them ever produced a successful meme? An original thought? An easily communicable truth? They can't, because like their brethren on the left, all of their narratives are based on a denial of truth.

In order to get

You can take my daughter & my wife

PLEASE just don't call me a RACIST

their points across, cuckservatives have to articulate a carefully constructed denial of reality. That's why instead of a simple, truth-containing

meme, they need four-hour-long radio shows to build their house of cards. And then they have to deny access to anyone who disagrees with them. Call them up and see for yourself. Question the official narratives of 9/11, World War II, or the claim that Israel is our greatest ally. You won't be allowed to speak. You'll be silenced and hung up on so fast it will make your head spin.

Cuckservative gatekeepers cannot allow a person who speaks the truth a voice on their show, because if they did it would expose all of their lies. Cuckservatives are also opportunists with no real loyalty. Many of them were Never Trumpers - until they saw how many listeners they lost by doing so. They support Trump now, not because they believe in him, but because that's where the money is. If they had maintained their anti-Trump stance, they wouldn't have any followers.

Leftists and Cuckservatives are One and the Same

Leftists and cuckservatives pride themselves on being the opposite of each other, but in reality they are merely two sides of the same coin. Neither side tells the truth and both sides embrace censorship.

Leftists went into overdrive in promoting censorship throughout the entire fake pandemic. Books were banned, videos were taken down, and entire websites were scrubbed from the internet.

foaming at the mouth in calling for the censorship of peaceful Palestinian protesters at college campuses across the country, and literally cheered when those peaceful protesters were brutally beaten by militarized police.

In Europe it's even worse. Leftists and cuckservatives have passed

laws that make it illegal for a person to speak the truth. Truth tellers in Europe have been arrested and imprisoned for years.

My advice, which I've given before, is to purge those people from your life, both leftists and cuckservatives. They're on their way to hell and they would love nothing more than to drag you down to hell with them. Failure to eliminate them from your life puts your own soul at risk of eternal damnation.

Even if that weren't the case, why on earth would you want to spend time with mentally ill leftists and cuckservatives? Leftists are salivating at the chance to molest and sexually mutilate your children. If you're White, they want to see you dead. While cuckservatives are cowards who refuse to speak truthfully. They spend their time jerking off to trannies like Caitlyn Clark, Serena Williams, and Lady Gaga.

Does that mean you have to become a recluse? Pretty much. When you consider that roughly 40% of the population are hardcore leftists, and another 40% are cuckervatives, that doesn't leave a whole lot of people that you can safely interact with. But solitude is where God is found.

As you pursue truth yourself and your ability to tell truth from lies improves, you'll be able to hold brief interactions with leftists and cuckervatives without exposing yourself to negative consequences. However, it takes a long time to get there and most people never make it. Better to play it safe and cut those people from your life.

Here's an interesting video I recommend watching:

Makow-- I told you. Even though the US tax payer is financing the Gaza genocide, ordinary Jews are taking the heat.

Barrett---"Yet all of the hysteria around antisemitism ignores the genuinely semitic genocide victims. It turns a blind eye to the tens of thousands of semitic women and children condemned to slow, agonizing deaths beneath the rubble of what used to be their homes. Instead, it obsesses over alleged wrongs being done to (non-semitic) Jews, the genocide perpetrators. What wrongs? Well, people have been hurting the Jews' feelings by speaking out against the genocide.

In one of the most egregious cases, a Brooklyn Jew named CJ Chellin experienced horrific oppression at a comedy club. What Chellin went through was infinitely worse than spending 48 hours dying of crushed vertebrae and bleeding internal organs in the rubble of your house that the Jews blew up so they could steal your land. Winter - The Prescience of George Orwell -- '1984' is Here

<https://www.winterwatch.net/2025/03/the-prescience-of-george-orwell-1984-is-here/>

"If you read George Orwell's fictional novel "1984" when you were young, now is an opportune time for a second look. It's the language of "1984" that's of particular use. The book is perhaps most applicable for its exploration of the relationship between nuanced language and thought, and the way dishonest, inaccurate language leads to a breakdown of identity and capacity for independent reasoning.

How The US Government And NGOs Created "Gay Pride" From Thin Air

<https://www.zerohedge.com/geopolitical/astroturf-activism-how-us-government-and-ngos-created-gay-pride-thin-air>

Quote: "What we didn't understand at the time was that the seemingly harmless rise of "Gay Pride" in the 90s and early 2000s would become a primer for the woke madness that spread like wildfire from 2014 onward."

Reader--"The kabbalists of Judaism created the utter filth that is "Gay pride". They wanted the West to become appalled at the ever increasing degeneracy of the globalists, and to turn to the saviour of populism (i.e. Zionism) and a yearning for "god" i.e. their blasphemous Nohaide laws.

European leaders back 'realistic' \$53B Arab-backed Gaza reconstruction plan rejected by US, Israel

<https://nypost.com/2025/03/08/world-news/european-leaders-support-53b-arab-backed-gaza-rebuilding-plan/>

The foreign ministers of France, Germany, Italy and the UK issued a joint statement on Saturday saying they welcome the plan, which was drawn up by Egypt and adopted by Arab leaders at an emergency summit on Tuesday.

"The plan shows a realistic path to the reconstruction of Gaza and promises -- if implemented -- swift and sustainable improvement of the catastrophic living conditions for the Palestinians living in Gaza," the foreign ministers' statement said.

Rothschild Family History of Inbreeding & Incest

March 8, 2025

Hopefully inbreeding has not affected their judgment

**Whether the Rothschilds intend for it or not,
incest has the inevitable effect of preventing wealth
from being inherited outside of the family,
because the women rarely produce heirs for a non-Rothschild.**

Rothschilds by J Volker p.8-11

https://ia802300.us.archive.org/19/items/rothschilds_20210822/roths

"The Rothschild bank was essentially a noble court in practice, a business in form. And, like all nobility, the Rothschilds practiced copious amounts of incest - most of the family's girls were married to a first cousin, uncle, etc. Any who did not marry incestuously usually married actual nobility or members of other prominent banking families - these marriages were generally arranged by the parents long beforehand.

Let us look at James Mayer and his wife Betty, who was also his niece - they married in 1824. All last names in the following chart are pre-marriage names, so that they indicate the original family the spouse comes from.

This is only a very shallow picture of the extent to which incestuous marriage was practiced among the Rothschilds. By the second generation descending from father Mayer Amschel, we are left with seventeen Rothschilds, plus the original five men.

Of these twenty two fellows, fifteen were married incestuously. By the fourth generation, the British banker Nathan Rothschild would marry his cousin Emma Louise: they shared not only both grandparents on the maternal side, but on the paternal side too, making them "double-first-cousins" - it is an undeniable fact that a "double-first-cousin-wife" is something which requires generations of incest to even render possible.

James Rothschild also married his seventeen year old cousin Dorothy when he was thirty-five; and so on, the reader gets the point and may look further into that if they wish.

The incest is important to note because, while it may seem like only a bizarre "quirk", it is actually an economic mechanism. **Whether the**

Rothschilds intend for it or not, incest has the inevitable effect of preventing wealth from being inherited outside of the family, because the women rarely produce heirs for a non-Rothschild.

Whether the Rothschilds committed to incest deliberately for this purpose is a matter of debate, but we should again consult the book they consider sacred, which directs that "*Every daughter who inherits land in any Israelite family must marry someone in her father's family, so that every Israelite will possess the inheritance of their ancestors.*" (Numbers 36:8).

(left, *The heir, Nathaniel Rothschild*)

In those few cases where there is no incest, the Rothschilds partake in marriages with other prominent monopolists, financiers, nobility, and so on. For example: of the original ten children of Mayer Amschel Rothschild, Schonche Jeanette Rothschild married Benedikt Moses Worms, an Austrian aristocrat (their grandson, Solomon Benedict de Worms, became a Member of the British Parliament).

Salomon Mayer married Caroline Stern, a Jewish banker from

Frankfurt (her brother founded the Banque Stern, now Stern & Cie, and together her family owned shares alongside the Rothschilds in the Banque de France); the Oppenheimer family, about the 30th richest in Germany, married into the Rothschilds in 1834 through Charlotte Beyfus, daughter of Babette Rothschild, and in 1923, James Nathaniel Rothschild married Claud du Pont of the famous du Pont family, one of the richest in America today.

The Bonaparte family, which had fallen from grace at the hands of Nathan Mayer over a century prior, married into the Rothschilds through the 1974 union of the still living (and still-married) Princess Olympia Bonaparte and David Rothschild.

That fellow who defeated Napoleon at Waterloo (and who gave Nathan Mayer control of his finances), the Duke Arthur Wellesley of Wellington, had his great-great-granddaughter Pamela Wellesley marry in through the Lieutenant Charles Grant, a fourth-generation Rothschild. Anita Guinness, from the Irish family that invented Guinness Beer, married in through Amschel Mayer James in 1957, and there was also very recently the marriage of James Rothschild and Nicky Hilton in 2015, Hilton being the great-granddaughter of Conrad Hilton, founder of Hilton Hotels.

The Prince Alexander de Wagram, the Countess Cathleen de Schonborn, and members of the Jewish banking dynasties Goldsmith, Ephrussi, Guggenheim, and so on - these have all married into the Rothschilds too.

Related--Untangling the INBRED MESS that is THE ROTHSCHILD FAMILY TREE

"The Rothschild Family is so inbred that there is an entire Wikipedia article about it: As one of the world's wealthiest and most prominent families, the founder- Mayer Amschel Rothschild a Jewish banker in the 18th century wanted to keep the family fortune within the family and set to have his grandchildren marry each other. So cousins married cousins and it became a whole inbred mess.- Let's untangle it."

Wisconsin mail-in ballots. Notice how you can't select Trump...

Wall Street Apes @WallStreetApes

Share this Virginia Voter shows Polling Station has the letter "I" in Donald Trump's name

They have it spelled "Donald J. Triump"

Why do these "glitches" / issues never happen with Democrats? Someone at the GOP needs to do something about this!

Shadow of Ezra @ShadowofEzra

ALERT: Double-check your ballot to ensure Donald Trump's name is spelled correctly; otherwise, it might be flagged as an error by the voting machines.

The Democrats seem to be using every trick in the book to influence this election, with mainstream media working to cover for them.

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

By Mike Stone
(henrymakow.com)

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:

<https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-commiteewoman-taken-away-handcuffs-encouraging/>

And
an
ABC
news
station
aired
a "test
result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithmically-generated-voter-id-cards-violate-the-federal-election-law.html

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in

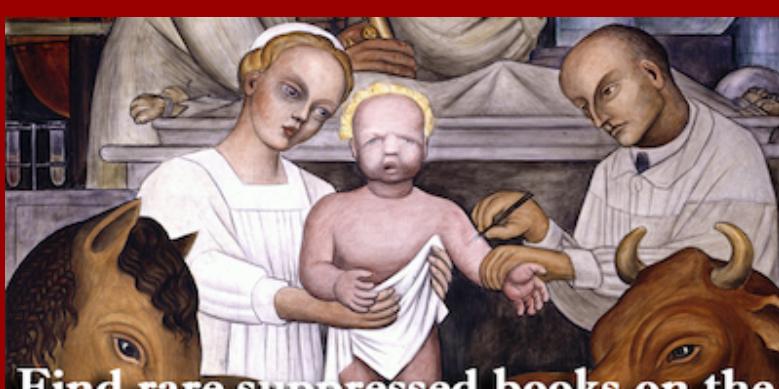

some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.
